Hi Guys, well done on making it to Aber! We've got an action-packed freshers' week planned to help you settle in and feel at home. If you don't know where the venues are, we'll be meeting before every event to show you where to go. If you live on campus, meet half an hour before on the concourse between the Students' Union and the Arts Centre. If you live in town, meet fifteen minutes before just outside the pier.

Look out for the CU hoodies!

The Welsh CU's main meeting is every Thursday at 7:30pm in Pantycelyn Small Lounge.
